“ Thoughts and prayers are with her family, our deepest condolences

Sean Flood - April 27, 2017 at 08:01 PM

“ My thoughts and prayers are with her family. Louise was more like a sister to me than a sister in law. Her passing left a large hole in my heart that will never ever close. I will miss talking to her and e mailing together when we could . Rest in peace my loving sister, your suffering is finally over

Love Roseanne
