“ *I just recently learned of Lucas passing. We were freshmen together at Hiram College. We lived on the same floor for all four years. Together we had some memorable times. I always felt bad we lost touch after Hiram.*

“ *We had our difficulties but we had a lot of love for each other for several years. I wish I could have mourned you properly a month ago. I'm sorry Lucas. I hope you are finally at peace. You will always have a place in my heart.*

“ Still shocked and deeply sorry about Lucas` passing, I keep good memories of his visits to Barcelona, he was an open and generous boss, always possitive and smiling. He was an inspiration for many of us here.

We shared good moments at work and sometimes we took him out for drinks, diner. We had the rule of not talking about work outside the office and it was so much fun. Oh Boy! he loved Spanish ham! We stopped working together a while ago but we managed to stay in touch. Sometimes he texted us saying "I miss you guys". We missed him too and we will always do.

My prayes are with the Clarke family,

“ John, Margaret and Justin

Janie and I send our deepest heartfelt sympathy. At times like this I search for something to say that may help a little bit but realize there is not. John you never failed to tell us how proud you were of your sons. Just know that if there is anything that we can do, we are only a phone call and a plane ride away. God bless.

“ *Please accept my sincere sympathy in the loss of your loved one. At a sad time as this, the Bible gives us comfort at Revelation 21:3&4 where God promises to rid the earth of all sickness, sorrow and death. What a wonderful time when we no longer have to face these enemies. I hope this scripture gives you some consolation.*

“ *I am extremely shocked and saddened to hear of Lucas' passing. Although I hadn't seen him in almost 30 years, I still have vivid childhood memories of our time spent together: eating lunch behind the waterfalls at Oglebay, going hiking/exploring up the side of a mountain, playing the video games Sneak N' Peek & Deadly Castle. He was a really great guy, and a genuine person, and he will be missed. I'll never forget you, cousin. See you on the other side. -- Sean Fluharty*
