

Lucinda Whiddon Lane

August 30, 1952 - November 16, 2022

Lucinda Lane, a loving wife, mother, grandmother and friend, passed away peacefully on November 16, 2022 at the age of 70. Lucinda, a true Florida native, who was born and raised in St. Lucie County, has been a resident of Lee County since 2006.

Lucinda is survived by her loving and adoring husband, Joe. She is also survived by her children, Josh Lane and Evie Lane; 7 precious grandchildren, all of whom she frequently boasted over, as well as nieces and nephews. She is predeceased by her parents, Moody and Evalea Whiddon, siblings, Molly and Stuart, as well as step son, Mike.

Lucinda, born August 30, 1952, was a graduate of Dan McCarty High and attended Indian River Community College. She passionately sold Agricultural real estate, specializing in citrus groves. Upon leaving the professional world, she became a home maker and devoted her time and energy into her family. Lucinda was dedicated to encouraging her children to pursue their dreams by supporting every team and club they were apart of. She traveled countless miles to watch baseball tournaments or listen to prepared public speaking competitions proudly in support of her children. Lovingly called Momma Lane or Momma Lu by many children, she was attentive and gracious to many. During her life she placed the greatest value on her faith. Mrs. Lane has been a Sunday school teacher, women's outreach coordinator, youth leader and prayer team member. She helped to organize and establish both a jail and prison ministry as well as working with the migrant population to learn English

through reading of children's bibles. She was always available to pray or offer biblical wisdom as she devoted many hours reading, researching and studying of the Bible. She can be described in many ways such as compassionate, loyal, loving, intuitive and intelligent, but above all, she was Godly. She will be deeply missed by her family and friends. Mrs.Lane leaves behind a legacy in all the many lives she touched by the way she genuinely and authentically loved everyone and knew no stranger.

“ My deepest sympathy to family and friends. Lucinda and I were friends since High School. She was a force to be reckoned with. A mighty woman of God. R.I.P. my friend. I will never forget your hospitality the summer I stayed with you and Joe in 2015. The most vulnerable time in my life, you reached out your hand. See you in Heaven.

Thank you Brenda for those precious and loving comments. I'm just now finding out about Lucinda, my dear cousin. She was so sweet to me her younger cousin. I got to spend the summer at her family lakehouse in Georgia in I think 1967. I don't know, were you Brenda her girlfriend who spent the summer there with us. Well anyway, Lucinda was so sweet to me. Sure, I get it, she was 16, boy crazy. So she was in and out of the lake house chasing boys. She still took some time to take me boating and water skiing. But the greatest thing of all of this, is knowing that my sweet cousin and sister in the Lord Jesus, that she is with Him, our Savior and redeemer, and that I will see her in Heaven. Dear Brenda, I hope that you are a true believer in Christ! And God bless you my dear. Take care and remember that we as children of the Most High must endure till the end to receive the crown of life that God has promised all of His faithful followers! Amen sister!

“ I'm so sad to hear of Lucy's passing. I wrote about on our class website how I became friends with her. We were born on the same day in Fort Pierce Memorial Hospital. Our mothers were in the same room together. Our parents told us I was born first about a minute before Lucy. You could say we knew each other our entire lives. It's been a couple of years since I last talked to her and I so much regret that. RIP, classy lady.

What a wonderful, beautiful fun loving person she was. I knew her from kindergarten and on and off through the years! She was always a joy to run into.

She knew "absent from the body, present with the Lord." I'm sure her family takes great comfort in knowing where she is now ❤️

“*So thankful to have been one of Mama Lu's babies and an honorary Lane for so many years. She was always there for us with anything we needed from a good swift kick in the rear to a loving conversation cuddled up in her bed. I'll forever hold on to the memories of the old Greenwood house and the good times I experienced there. May god cover the Lane family in strength and love during this time.*
