

Lucy Cecilia Grosso

December 13, 1931 - April 5, 2020

It is with great sadness and heavy hearts that we tell you that our mom/mom-mom has passed on from this earth. She was an integral part of our daily lives as she installed in all of us the courage and strength to push on no matter what the circumstances were. She gave all of us the love of the arts & music from Pavarotti to Elton John & The Beatles. She taught us to appreciate the important things in life - her family - with whom she cherished so much and which gave her the will power to carry on. Lucy held many jobs over the course of her life among them being a hat check girl, an usherette at a movie theater, bank teller and a shipper in a bow tie/cummerbund factory until she retired in 1995 to become a stay at home mom-mom. She loved Christmas and her extensive collection of Christmas Annalee dolls to which she cherished like they were her children, she loved going on late night trips with her gang to the casino's in Atlantic City, was an avid reader and enjoyed the challenge of a crossword puzzle, loved to whip up new recipes in the kitchen and doing scratch-off tickets always hoping to hit the "big one". What she may not have known is that we already hit the "big one" by having her as a mom & mom-mom! Our star has dimmed but she will forever glow in our hearts & memories.

Lucy is survived by: her son - Dr. Michael A Grosso & daughter-in-law Lisa

Grosso, grandsons - Ryan Michael Grosso & Jordan John Grosso, her daughter- Christi Simpson & son-in-law Lawrence Simpson, grandson Austin Simpson, Sister-in-laws, countless nieces & nephews, family and friends. Lucy was predeceased by her loving husband, Michael J. Grosso, Jr in 1973.

A celebration of Lucy's life will be determined at future date.

In lieu of flowers: donations can be made in her honor to the Wounded Warrior Project or St. Jude's Hospital for Children.

“ *Christy & Austin, sorry it took me a while to get to this point. Lucy was like another sister to me. We did so many things together. Mostly happy times. (with the girls, Minnie, you me, Aunt Mariann, Aunt Betty.) When we all made plans together we always said "don't forget Aunt Lucy." When you started a new life in Florida, you were so sorely missed. You will always be missed. RIP Sister*

“ Christi, I never met your beautiful Mother but felt as if I knew her through your stories and pictures. You and Austin were blessed to be able to spend so much time with her. Thankfully, you will have those memories to relive in the future. I know your Mom and Mom-Mom is looking down on you thinking she was the one who was blessed. You two, along with your brother and his sons gave her so many fun and memorable times in this last year alone. She loved having that surprise birthday party and then having her nephews making a surprise visit not to long ago. Christi and Austin, relive those moments and so much more by looking at your pictures and sharing the good times you had with Mom/Mom-Mom. We know life will never be the same without her but the love she had for her family will carry you through. I lost my Mom and my son his Mom-Mom but she has always been kept alive in our hearts. Your Mom/Mom-Mom already has that special place in your. Christi, my dear friend, and Austin, I am so deeply sorry for your loss.
