

Lucy T. "Bunny" Lyster

September 27, 1922 - August 28, 2013

Lucy T. ("Bunny") Lyster, of Calusa Harbour, Ft. Myers, passed away suddenly on Wednesday, August 28, after spending a happy and comfortable day at home with her companion, Gordon Hewitt. Bunny was almost 92 years old and proud of it. She was born on September 27, 1921 to Captain Charles T. and Georgena Snow in Brookline, Massachusetts. She was raised and educated in and around Boston and made her homes in Needham, Cohituate and Cohasset, Massachusetts. Bunny subsequently moved to Oceanside, California before settling in Ft. Myers, Florida to be nearer to family. While raising her family, Bunny worked in the banking and retail industries where her sharp, mathematical mind was put to good use ~ just as it was in a brisk game of Bridge which she thoroughly enjoyed. Bunny was an outgoing, joyful person who looked for the good in any situation. She was always ready for an adventure and traveled extensively with family and friends. She was predeceased by her beloved husband Walter A. Lyster in 1991. In addition to her dearest friend, Gordon Hewitt, she is survived and cherished by her three children and their families: Susan and Rob Loker of Farmington, New Hampshire, Gail and Tom Blank of Venice, Florida and Rick and Sandra Sawyer of Brewster, Massachusetts. She also leaves her grandchildren, Christopher, Tracy and Gage. A celebration of Bunny's long and happy life will be held at Calusa Harbor Senior Living Community, 2525 First Street, Ft. Myers, Florida on September 27, 2013 at 2:00. Donations to honor her memory may be made to the Calusa Harbor Employee Appreciation Fund or

to the Development Office, Hope Hospice, 9470 HealthPark Circle, Fort Myers, FL 33908. Please express condolences to the family by signing the guest book.

“ *What a delightful, sweet lady. She will be missed. Condolences to the family. It is hard losing your parents but "Mom" is really something. The good memories are what you depend on now and with this lady I'm sure you all have good thoughts to remember. We feel fortunate to have known her.*

“ *We both have fond memories of Bunny. Always a charming and gracious lady. Even our little dog, Lexi knew she was special because she would never leave her side when she visited. Our thoughts and prayers are with you, Gail & Tom, and with your family.*
