“ Dear Elizabeth and Danny,

I want to let you know that I share in your loss and sadness.

I remember the day I stopped at the market and you, Danny, were holding Sophia with a smile on your face, that I will never forget and Elizabeth you, as well, were smiling ear to ear. It was the first time I got to see your "Baby Girl".

It is so easy for all of us to say all the things one says, at a time like this, but we are not Sophia's Mom and Dad. Know that all mean well, some are lost in what to say.

Always remember "The Serenity Prayer" ...God Grant Me the Serenity to Accept the Things, I cannot change, The Courage to change the Things I can and the Wisdom to Know the Difference. I cannot count the number of times this Prayer has brought me back to a calmness that has allowed to me continue on.

*With Love, Caring and Friendship,
Diane (Heinje)*
