“ I was Lydia's neighbor across the street on Willow St, Harrisonburg, VA. I was sad to hear of Lydia's passing. She was a very nice person and I was sad to see her leave the area last year. I've thought of her often since then. My thoughts and prayers are with her family. Vada Sherman

“ I think of Lydia often wondering where is she and how is she in the past year. Thank you for sharing locally with us that she is at peace. I work at now Sentara Rockingham Memorial Hospital and shared the same office with her for years in the old main portion of the original hospital. Her laugh was contagious, her humor unique. You always tried to get one step ahead of her but that was really a task. Our April Fools /pranks jokes will live in my heart forever. I still share them often! Even after she retired our group would always invite them to join us for after work for "choir practice". We never did ask if she could sing! What a treat today to think back on those days.

To her friends and family--May you all find peace in your memories.
Fondly, Natalie Rinaca, Shenandoah Virginia
