“ *So sorry for your loss. Mable was named for my mother -- Mable's mother, Vivian, and my mother, Mabel Jewel, were sisters. Although cousins, we barely knew each other, but I did know of how she was doing and things going on thru other family members. I know the last few years were not good quality for her; hate that for her and all her loved ones. Again - thinking good thoughts for all of you.*

Thank you for the kind words Joyce ❤️ It has been hard for sure and we are truly blessed for the great memories we have to hold on to ❤️

Thank You Joyce. Yes, my mother was named after Aunt Mable. One of Mamma Greer's sisters. Sweet of you to remember my mother. Mom will be missed by my family. She had 6 Great Grandchildren by my two daughters Veronica and Vanessa. We were with her when she passed.
❤️❤️❤️
