

Madison Cunningham

December 1, 2000 - September 24, 2022

Madison Jane Cunningham, 21, died tragically from a car accident on September 24, 2022, while visiting Fort Myers, Florida. Madison was born in Auburn, Maine on December 01, 2000, and was the first-born daughter to Lisa and Aaron Cunningham. As a child, Madison and her sisters could always be found playing outside chasing bugs or catching frogs in the mud holes. They formed a great sisterhood bond, that will live on forever. Madison's childhood friend, Emma Curtis, was always in the mix with camping and fishing in the local water holes. Madison was a Girl Scout from Kindergarten all the way to Freshman year of Highschool. She enjoyed summers at the family camp and anything outdoors.

Madison attended elementary school at Marica Buker in Richmond, Maine and moved to Freeport in 5th grade. Madison graduated Freeport High School in 2019 with a Certificate of early Childhood Education from Region 10. Madison loved working with children and continued that love working at Toddle Inn of Cumberland. All through High School, Madison proudly served the Town of Freeport their Dunkin Coffee with a big smile and side of Sass!

Madison had a love of adventure, spending time with her friends, and her annual family road trips to her Emme's, Aunt and Cousins in Madison, WI. Her love of travel that was instilled at a young age continued as a young adult with traveling to Puerto Rico in 2020, New York City in 2022 and most recently the

family annual trip to the Midwest. It was no surprise when she told us she was off to Florida for the weekend.

Madison also enjoyed true crime and listening to Podcasts. She had a love of all music and enjoyed sitting around a bonfire with friends and family. She could always be seen facetimeing her friends near and far. Madison gave her whole heart to her family and friends and had the most contagious laughter.

Madison leaves behind her mother, Lisa Cunningham and her partner James Richards of Freeport, ME., and a father, Aaron Cunningham of Chattanooga, TN. She will be missed terribly by her 3 sisters, Justice, Dakotta, and Trinity Cunningham, her stepsister, Ashley Demuth (Ryan) along with nephews, Caleb, Cohen and Bentley and her stepbrother, James Richards and niece, Hazel. Grandmother, Nance Jane Roepke of Madison WI., and Aunt Karen Bay (Brandon) of Sun Prairie, WI., and cousins Laney and Charlie. Also, Grandparents Bill and Sandy Roepke of Auburn, ME and Aunt Sara Kidd. God Mother Michelle Klauke and family of Chicago, IL. Madison was very fortunate to have a large extended family on James Richards side as well, including 4 Aunts and many cousins. Many best friends, including but not limited to, Tavia, Ashley and Sam and many family friends. And of course, also her beloved dog Kojo.

Madison was Predeceased by her Grandparents, Marjorie and Gary Poulin of Richmond, ME and her second Mother, Kelly Lewis of Pownal, ME. Madison's Great Grandmother, Thelma Radanov of Madison, WI, passed away this past February at the age of 105. Madison enjoyed many ruthless Rummy 500 games with Nana and recently got a Queen of Hearts Card tattoo in her honor which was one of many tattoos that showed her love for Halloween and the outdoors.

“ *I remember her as a beautiful child. When I opened the door to my bus there she stood, hugging her Mom's leg. Very nervous about getting on the bus and leaving her sisters behind. But she bravely took that first step, climbed the steps, and found her seat. She was shy but I soon found out that she was very bright. It is heart breaking to learn of her passing. My sincerest sympathy to her family and all that loved her. May God grant her perpetual peace. ❤️*
