“ *Dane and Shana: What a beautiful obituary for your Dad. He certainly had a successful career in various forms of the law. I'm sure you are very proud of him.*
As to a special memory of him - I have a good one - he was my very first date the summer I was a sophomore and he was leaving for college. We began dating other people and that started our big group of friends - life long friendships! How lucky we all were to know and love him!
