

Marc Henry Isadore

December 11, 1980 - August 5, 2024

Marc Henry Isadore, affectionately known as "Tunes," passed away on August 5, 2024, at the age of 43. He was a cherished son, brother, uncle, and friend whose presence will be deeply missed by all who were fortunate enough to know him.

Born on December 11, 1980, in Glen Elyn, Marc spent his formative years fostering a deep love for life and the people around him. After attending the University of Iowa, he became a dedicated General Sales Manager at Max Madsen Mitsubishi, where he was known for his unwavering work ethic, commitment, and genuine desire to help others.

In 2022, Marc's adventurous spirit led him to Fort Myers, Florida, where he continued to leave a lasting impact on those around him. Most recently, he worked at Cigar Cutters and Tropic Trailer, further cementing his legacy as a warm, compassionate, and loyal friend to many.

However, Marc's greatest joys in life were his family and friends. He shared an unbreakable bond with his beloved cat, Smokey, and extended his love and compassion to all who crossed his path. With his infectious laugh, humor, and extraordinary storytelling abilities, Marc was the heart and soul of every gathering, always offering guidance, support, and encouragement to those in need.

Marc is survived by his devoted mother, Bobbi Isadore (Kevin King); his brothers, Matt (Kallie) and Michael (Will); his niece, Bella; and many other loving family members. He was preceded in death by his dear father, Bruno (Mary Beth) Isadore; his uncle Al (Gay) Isadore; and his uncle John (Laura) Nixon.

A celebration of Marc's life will be held at Cigar Cutters on August 12th at 6:00 pm where family and friends are invited to share their cherished memories and honor the extraordinary man who touched the lives of so many. There will be an additional celebration of life for friends and family in Illinois that is TBD. In lieu of flowers, the family requests that donations be made to The Humane Society in memory of Marc's enduring spirit and love for animals. “ We truly have lost one of the good ones. Tunes was able to light up a room with just his presence. The word of his passing has been devastating. . I like to remember all of the good times. The sundays out on lake holiday. The golf outings with ant lacina(thank you for dealing with my horrible golf game), my first DMB show and most i will miss those sunday bear games and tailgates with the max madsen crew. I will never forget those mornings with AJ, Elvira, Ken b, rizzo, herman , ant Lacina, me and Chef Grove, and a list of others. You will forever be engraned in my heart and soul. RIP Tunes. “ *Marc Isadore elevated and spiced up every interaction he had, you all experienced it - what a gift!*

Marc's endless energy and wit often made him a unique combination of every stand-up comic we've experienced and love, combined with the guy in your life you'd most want to always have your back - more of the gift.

Marc quickly became an accomplished 'car guy' and was the kind of leader as a manager that both got the job done and left his mark on all that worked with him - I hope a lot of his troops read this and tip their cap to being more successful from applying what we all learned was possible, from watching Marc perform!

Marc's untimely passing will leave heart, soul, mind & body gaping holes in us.

My tribe will pray for all family and friends crushed by his loss and then apply positive energy hoping that the holes will over-time be filled with the memories, quality time & life experiences spent with and provided by the one and only ' Marky Tunes ' - may he forever rest in peace ☐.
