“*Marcia and I met in 1969 and we worked together and until the mid 1970s. We shared so many good times together--laughing, crying, and supporting each other through some very difficult times in our lives. We've been lifelong friends for 55 years--unconditional love, totally understanding, non-judgemental, full forgiving friends who have been through thick and thin together. I loved Marcia so much. I praise the Lord she knew Jesus as her Lord and savior. We'll be together again in His heavenly home.*”
