“ *Dear Gene, My thoughts and prayers are with you and your families during this time of loss. I am not sure if you remember me - I worked for you back in 1990 at C-21 in North Fort Myers. You spoke of your Mom often during our conversations. Take care and God Bless you and your family. Linda Mansfield*

“ Dolores, Gene and Families, I was sadden by the news of Aunt Florence's passing. I have been looking at pictures of our visits and I am so glad that we "reconnected". I have several pictures from a visit when Grandma and Grandpa came down to visit your Mom and Dad and it make me feel a little better to know that they are all together again. I am truly sorry that I cannot be there, but please know that my thought and prayers are with all of you and you can have peace in knowing that there is another "Angel" watching over you. Take Care and God Bless. Love, Melissa
