“ *I have wonderful memories of Aunt Marge coming to visit us in Pennsylvania when we were growing up; She came to all the important events in our lives; Baptisms, First Holy Communions, Weddings, etc. She never missed a birthday, always sending a card and money, and there were 10 of us !! It was always a wonderful time when she came to visit her youngest sister's family. And she always gave Mom a much needed break when she came to visit. My fondest memories are all the pictures and home movies that she and Uncle Joe took and how we enjoyed watching them after we were grown and living our own lives. She and Aunt Sophie came to our wedding in Georgia and have sent us Christmas cards every year since. We remember her with Love, Lucy & David Pierce*
