

Margaret Yander

December 8, 1926 - February 22, 2011

It is with great sadness that the Yander family announces the death of Margaret Mary Yander.

Margaret is survived by her beloved son, Joseph and her beloved daughter, Deborah. She is also survived by 5 grandchildren.

Mom died peacefully on 2/22/11 AT 2:50 pm in Sarasota, Florida...Hospice was by her side and she felt no pain. She is now joined in heaven with her husband, Joseph. Mom was a sweet, kind, beautiful woman who was always there for anyone when they needed a kind word or thought.

Margaret and Joseph enjoyed 52 wonderful years together. There was always love and joy in the Yander household. She participated in all activities, such as cub scout leader, campfire girl leader and always encouraged us in whatever we did. She will be dearly missed. All my love, your son Joseph.
