“ Hey Sis,
This wasn't supposed to happen like this. You were to start a new life in your new home and see the little one grow up and have fun times with her. You were robbed of this new life and it's so unfair. We're truly heartbroken. 💔 I'm so blessed and grateful to have had you in my life. Please give my Ginny a kiss for me and I will share her words that she always used to say and that I still say to her in heaven - "I wish you good things - only good things." Miss you.
Love,
Your other Brother.

“ Marianne was a good friend. I was already sad saying goodbye to her when she moved to Florida. I mourn with all her family and friends. Rest in peace, Marianne.
