“ *Maribeth, It was a privlidge and joy to know you. We had so many laughs and enjoyed our get togethers over the years so much. How we wished it could have continued for a much longer time. Our deepest sympathy to your family and Ed*

“ *I want to extend my condolences to Maribeth's family -- she will, indeed, be dearly missed. In the late 1990s and early 2000s, Maribeth was a member of the board of Renaissance House, a non-profit that provides assisted living services for the handicapped here in north central Ohio. I'm sure it wouldn't surprise anyone who knew her that she was a terrific asset to that board, both compassionate and competent.*

“ Maribeth will be sorely missed. She spent her life in service of others, and loved being a nurse. We wish we had known her longer, but we're grateful for the memories we have of this sweet and fun lady. Our sympathies to her family- especially to Ed.

“ I am so very sorry. Maribeth worked for me at ODJFS. She was always the voice of reason and logic, and always lived her priorities. She was kind, empathetic, and always had a bright smile. She lived her life with joy. She, and all of her family, will remain in my prayers. God bless, Sara

“ I am devastated and cannot believe this angel has left us. Although we were friends for a short time I felt as though we had known each other forever. Her kind and comforting ways will be deeply missed. To family... I'm extremely sorry for your loss and please know that our thoughts and prayers are with you during this difficult time.
