“ *I miss you so much, it hurts. How is the chocolate cake and ice cream up there? I couldn't grieve for several weeks after you passed. And, the kids hate me for it. And, of course, I handled it incorrectly. My anxiety condition demands that I deal with loss gradually and personally. When it hit me, I broke in pieces. Both your and Harry's death hit me together. And, though I put on a brave public face, inside I'll never feel whole again. I hope you are both resting in peace. See you soon, I think.*
