“ Marilyn was the sweetest and most thoughtful woman. She never missed an opportunity to let you know that she cared about you and ask thoughtful questions about your life. She had the unique ability to recall every detail of a memory which led to her sharing the most amazing stories. You will be missed Marilyn, love you.

“ I met Marilyn over about 45 years ago when I became friends with her daughter Patty. She was a second Mom to me and always made sure I was where I needed to be. She was a very caring lady who loved her children and me too! The trips with her around the state of Florida going to swim meets and shopping, she always made it fun. I will always cherish those memories! Rest in peace, I love you.
