“ I wanted to take a moment to thank my family and friends for all of their support as we walk this very difficult journey. Without all of your support to my sister Lucy and I as we work to bring our sister back home I'm just not sure how we would have gotten through this time. A huge big big special thank you to my son Charles and his partner Eric as they have been at Lucy and my side this entire time. They stayed one step ahead of what we needed and I can't thank them enough for everything. Also a thank you to April and Peggy for their work in putting together the Fort Myers memorial service. It was a wonderful memorial service. The luminaries that we sent into the sky to say sister we love and will miss you more than you will ever know were wonderful. So thank you to all for your support and keeping us going with your prayes, text and phone calls. Warm hugs to all and sister I will miss you with all of my heart. Love you!

“ Marilyn will be truly missed by all. She was a terrific mother to Tony and friend to everyone else. She was always there when you needed good advice and a smile of your face. I feel so privilege to have met her and her family over ten years ago. We will never forget the times we spent together talking about Days of our Lives and stealing Tony for the day!! Tony, I love you and you are in my prayers and in my heart. Rest in Peace Marilyn.

“ We always noticed Marilyn had a smile on her face. The first time we met her was on the river above franklin locks with Mike and his boat. Her late husband, Doug was also a good friend

“ Marilyn was always a Bright spot in everyone's day that knew her. She always had a smile and always made me smile even on the days I didn't want too! She adored my kids, Chad and Morgan, and they adored her more than some true family. I am very saddened by her death but happy to have known her as long as I did and I will have great Marilyn stories to look back on to remember her and smile! But most importantly, I am lucky because I get to call her My Friend! Enjoy your Eternal Beach Miss Marilyn. Love & miss you already , Pegalicious
