

## Marilyn Ann Wilcox

May 19, 1943 - July 28, 2023

Marilyn “Coach” Wilcox

On July 28, 2023 Marilyn went ALL IN. Some would say it was a “bad beat”, but we feel it was a “Royal Flush” and she received the biggest “pot” of her 80 years. A lifetime career of teaching and coaching sports in Golden Colorado made her a favorite of her students. After retirement she enjoyed Poker and Golf games anywhere people could be found. Through the ordeal she “coached” nurse after nurse on patient care and patiently waited for answers to her medical issue. Never did she give up or resist the help that was given by those assigned or volunteering to care for her. She’s resting now and her body is made whole in the presence of Jesus Christ. We wanted you to know because she loved each and every one of you. Born May 19, 1943 in Montrose, Pennsylvania and Died Friday July 28,2023 at Tampa AdventHealth Medical Center. Her brother, Dave Wilcox and family, sister, Joyce Jagger and family, her Daughter Molly O’Donnell and all her living cousins, colleagues, and friends will miss her dearly.

God bless you and restore America.

“ *I have great memories of Coach Wilcox at Golden High School many years ago (1969-1970). She really gave it all for GHS Gymnastics and we didn't always rise to her expectations, but will always remember the life lessons that came along with the coaching. Enjoyed golfing with Marilyn many years later. She will be missed! Donna Blum Ferguson GHS '70*

*Well, she gave me my only B in high school (gymnastics). She didn't take any of my BS, so she was one of my favorites.*
