“ I will truly miss my sister, Marion she was both a mother and sister to me all these years. We may have lived many miles apart, but we were close in spirit and emotionally. We always joked about her being 18 months older than I was and that that wasn't going to change whenever we had a birthday coming up. She was always my older sister. I will always remember her in my prayers and I was glad that I got to see her at least one more time before she got really sick, to see her smile and hear her laughter. My heart goes out to the rest of the family especially Larry, Sally and Sue. Love ya Sis. Your Sister always

“ Dear Larry, and family, We were so saddened to learn of Marion's passing. We remember all the good times we had years ago at the Grand Slam. She was one fine lady who always made us laugh. Her sense of humor could not be matched. Our deepest sympathies to you and your family at this difficult time. Hugs, Linda and Bill Vollmer
