“ Cindy, we too are saddened by the loss of your dear Marty. George and Marty enjoyed each other's company, and they loved their trucks! I don't know if George tried to keep up with Marty or Marty tried to keep up with George, but they both like being out and about. Marty, we miss seeing you in the neighborhood, rest in peace dear neighbor.

“ My uncle Marty...ill miss him... he was funny, didnt always say the most appropriate thing, but that was usually what we were all thinking...he had a great heart...a wonderful soul... I can imagine him smiling down with grandpa, who we also lost this year...looking down at all of us...both of them together... happy that we are celebrating his life, his memory and sharing our stories of why we love him so much, things he did, times we all had with him. My uncle Marty called my "Sullivan" once when we worked together and it stuck, he just had that way about him... he knew how to make us all laugh uncontrollably. It was his gift. I LOVE YOU. Have a great time in heaven, we see each other again.

“ Well this is hard, Marty, it was hard loosing Dad already this year, and now to lose a brother just dont have many words. I do have a few memories of us going fishing, at that time I did not know I would remember those times like I have. Really enjoyed that. It is such a shame we did not communicate better, I recall dad telling me so many times we should talk more and I am sorry we did not. To all your family and friends that I did not get to know you are all in my thoughts and prayers.

“ I got a call yesterday that you suddenly and unexpectedly left this world. I was numb and lost for words, I just could not imagine why or how. You are my big brother and this is not suppose to happen not now. I will cherish our life together and pray your soul is at peace with God until we are together as a family again. Rest In Peace “ this ol’ cowboy “ I love you Marty.
