“ *Mary Bursley was my grandmother that I have always wanted to meet. My mother Caroline would never tell me the whereabouts where she was much less allow my grandmother to know me or my brother. It was very heart breaking to finally find her though she was already passed away. My heart goes out to my grandmother. Rest in peace my grandmother we will meet each other on the other side*

“ We love and miss Grandma very much she was a very special woman. We should remember our good memories and times together and know she will always be with us in our hearts. We shall stick together as family and friends and lift each other up when we are down. Allow yourself to feel grief and emotion and know this is what makes us human to process this great heartache. For Mary Bursley may be gone but never forgotton.
