“ *Karen and Rick --*

I've often wondered what happened to your mom and the two of you. I always enjoyed Babe. My thoughts are with you at this sad time.

“ I remember Mrs. Coe. My 7th grade social studies teacher at Dominion Junior High School. She inspired me like no other teacher that I have ever had. I was a trouble maker trying to disrupt everyone's life. Mrs. Coe saw something special in me. She encouraged me to excell, study and learn. I did exactly as she instructed. I'll never forget how excited Mrs. Coe was when I pulled a "B" in her class. She was a miracle worker in my life. Thank you Mrs. Coe. I never forgot you and never will. I am only sorry I did not have a chance to tell her this in person. What a special lady!
