“ *Mary was a dialysis at Davita in the North Cape Coral facility. We usually had conversations about life and suchmas I too am a patient there. Mary used to work at a Detroit MI radio station, working in the traffic dept, which was preparing the daily DJ log and doing some promotion for the station. She loved rock, classic rock, and we shared old "war stories", as I worked in radio as a DJ in Columbus OH, and have been at a station in Fort Myers. Mary was a out-going, sweet and kind-hearted person who I considered a friend. I will niss her very much.*
