She loved to spend time with her grandchildren (14), great grandchildren and great great grandchildren. Her hobby's were bowling (215 career average), playing cards (euchre), traveling and attending events her children were participating in. “ *My deepest condolences to the entire Jacklin family on the loss of Mary. Mary was a dear soul who always had a smile on her face. She had such a warm heart. I am blessed to have known Mary for many years. First through Riverside Protective Services then later as I became friends with Steve. Please know that heaven got a new saint.*
