“ *We were very sad to hear of Mary's passing. She was a kind hearted lady. She always spoke so proudly of Erin how he got in the cage and fought. I used to think he must be a fighter like his Mom. She certainly fought more than her share of health problems. Rest in peace Mary. You don't have to fight anymore.*

“ Dear Aaron & family: I am so sorry for your loss. I will miss Mary so much and will always feel that she is still next to me, and in my heart. She will always be the sister & friend that everyone would ever hope to have. I know that Mary will always be here with us, and that I can still talk to her, and feel her walking next to me. Even after fifty years I still see her smile, and hear her laugh, and the tears in my heart are for your loss.

“ God saw you getting tired & a cure was not to be. He put his arms around you & whispered come with me. With tearful eyes, we watched & saw you pass away. Although we love you dearly, we could not make you stay. A golden heart stopped beating, hard working hands at rest. God broke our hearts to prove to us, He only takes the BEST....
