“ *Peggy can never be replaced. There is a huge hole left in the Compeer services offered here in Lee County. Her volunteer services can not be matched. She had such a willingness to help others and gave selflessly of herself and her time. NAMI of Lee County and I personally will miss her sparkling smile. She was an angel on earth and is now an angel in heaven.*

“ *For the short time that I knew her at NAMI, Peggy was an inspiration to me and so many others who looked to her for guidance and wisdom. We will miss you, Peggy, now that the angels are graced by your presence, but will find comfort in memories of the lasting help and support we received at your hands, your invaluable contribution to the advancement of mental health for all, regardless of economic circumstances.*

“Peggy, I miss you. No one could ever take your place. I cherish the moments we had together and know that I am a better person for having known you. No fancy words could say what you mean to us. Thanks for the love you so easily gave. I'll do my best to pass it on.

“Peggy was my best friend and loved sister. We spent a life of doing things together and sharing helpful information. She really loved me and cared how I was doing. She was an example to me of not letting life get you down. Bear with it and keep on going. Do your utmost for His Highest was how she lived her life. She loved Jesus and He her. Keith and I valued Peggy and all of you. We still think you have one of the best families going. God bless you all now and forever. We love you.
