

Mateo Josias Amir Willis

June 26, 2025 - December 21, 2025

am a special Angel

No ordinary boy

My wings are very fluffy

Completely made of gold.

I sit right next to Jesus

On my creators lap

He fills my tiny heart

To take my joyful nap.

My eyes are full of little stars

That light up thru the sky

My wings spread out like butterflies

So you can watch me fly

Yo soy un angelito

Escojido por Dios

Nunca estare solito

El, me lo prometio.

Las alas que me a dado

Me ayudan a volar

Y voy apresurado

Con mi padre celestial.

Ya no hay dolor ni llanto

Me tiene en su poder

Me cubre con su manto

He vuelto a renacer.
