

Matthew Leon Brown

February 6, 1985 - February 22, 2023

Matthew Leon Brown, 37, of Lehigh Acres, Florida, passed away on Feb 23rd, 2023.

Matthew was born on February 6th, 1985 to George Brown and Audrey Brown in Ontario

Canada. After Matthew graduated from high school in 2004, He went on to study Business at Everglades University.

After graduating with a degree in Business, He ventured into Investments and held positions as a security guard for a number of years.

Matthew was single and had no kids, he did however have three siblings Wayne Messam,

Suzette James and George Brown. He was the youngest out of the 4, but he always had

aspirations to become a millionaire one day and his goal was to help ensure all his family

members were taken care of and to give back to his community.

Matthew was quiet, but when the music hit, he couldn't hold back the urge to dance the night

away! He was very funny, and his jokes would make you laugh for days.

When he was young, his father would say Matthew is going to be a very bright kid, because when

they would go out for drives, Matthew would be able to read every sign or advertisement billboard

when he was only 3 years old, we knew from then he was going to be a special person.

Matthew was a very kind individual and he never said no to anything, but he just wanted to make people happy and he will be truly missed.
