With Michael's love for the community, he instructed many citizens in basic life support, CPR. He was also an instructor of the Cape Coral Community Emergency Response Team (CERT). Most importantly, Michael was a loyal brother to his fellow firefighters. Michael Jr. will be greatly missed by many. He is survived by his children,

“ We met because our boys play for storms. My husband and I would talk to him during games about how redic things were (favoritism, daddy ball etc) we would be in the parking lot because we couldn't stomach to watch. He was a kind person and spoke his mind. Just seems to me to be a down to earth nice person. He was a genuine, kind, dedicated to his fire family and to his family family. Our prayers and thoughts are with his family, for a life taken to soon.

“ I have known and been friends with Michael since Callosa middle school and he was always so excited about life. After reading everyone’s memories of him on Facebook I see that he never changed and the fact that he helped so many people in his short time makes me very proud to call him my friend.

I have so many memories of Michael and all of them are good. We lived in the same area so his bus stop was right after mine so we saw each other daily. I don’t recall ever seeing him without that huge smile! I could list so many memories of pep rally’s, bus rides, laughs at lunch, and so much more but I think everyone already knows what a caring and inspirational person he was. I’m sure most of us have a lot of the same memories growing up together.

I love that we all kept in contact with each other over the years and we have become more of a family. It hurts to lose a part of our family and I know we will all be there for each other and everyone will keep his memories alive as long as we are here.

I hate that he was taken so suddenly but I know he will never stop watching over his children and all of those that he loves.

Heaven gained a special angel. I know so many people are hurting by the loss of such a wonderful person and Mike will never be forgotten.

I can’t imagine the pain his family is going thru and I pray they find comfort some how knowing Mike is at peace and will always be with them in spirit.

I send my most sincere condolences to his beautiful children and his amazing parents. They raised one hell of a man. He made the world a better place just by being here.

R.I.P. my dear friend. Thank you for your dedication to helping make lives better and for being a real hero. ♥ We all love you and will miss you greatly. Brandy Barker Reece.
