

Michael Pierre Coenen

May 9, 1961 - September 30, 2017

On September 30, 2017 Michael Pierre Coenen (56) left us to scout for virgin fishing and hunting grounds. Mike was the beloved husband of Tiffany Kersten, favorite son of Marcelle Coenen, son in law of Pat Kersten, Uncle to Gabrielle and Danielle, brother to Robert Coenen (Sonia), Marc Coenen, Martin Coenen (Christine Axel), Rick Kerstern, John Soder, numerous Aunts, Uncles, and Cousins in Florida, California, Canada, Belgium, Lebanon, and Australia. Michael is preceded in death by his father Pierre and nephew Riley. Mike also leaves behind the close brotherhood of fellow Firefighters at the Fort Myers Beach Fire Department. Michael was an avid outdoorsman and enjoyed boating, hunting, and traveling to his sanctuary (Hillcrest) in Georgia. Mike courageously fought cancer over the past 14 years, while living life on his terms and chasing adventure. Professionally Mike started at the Fort Myers Beach Fire Department as a firefighter, then a paramedic and rose to the position of Battalion Chief during the past 19 years. During his service he had the opportunity to serve with a special group of brave men and form many special close relationships. The family wishes to extend special thanks to the Fort Myers Beach Fire Department, Moffitt Cancer Center, Hope Hospice and Gendron Funeral & Cremation Services Inc., all of whom treated Mike with dignity and compassion. A celebration of Michael's life will take place at Beach Baptist Church 130 Connecticut Street, Fort Myers Beach, FL 33931 on Saturday, October 7, 2017 at 11:00 am. “ Our prayers, thoughts, and heartfelt condolences are with you dearest and greatest Aunt Marcelle, with you dear Tiffany and with our dear cousins Martin, Mark and Robert. May the Lord comfort you and give you all fountains of strength during this sorrowful time. We deeply share your grief and loss.

Your beloved Michael is so loved by all who knew him for he loved life, families, friends and colleagues. Those of us who met him and knew him, even for the shortest time, will remember how his soul brightly radiated those qualities. He always looked and found the bright side of any situation. Through his words and actions, he constantly kept an upbeat attitude regardless of all odds. Even throughout his ordeal and challenges, physical and emotional difficulties he faced in the last decade and a half, he was always calm, composed and constantly maintained, with a contagious smile, his strength to press forward actively pursuing all sorts of outdoor activities despite even the difficult cards life has handed him. Indeed, he showed the examples and the marks of a great citizen and more importantly the qualities of a loving son, brother, cousin, friend and the husband of the special lady, Mrs Tiffany Coenen.

Long distances prevented us from not being near him as often as we would have liked to; however, in our hearts and minds, he has always earned our love, our admiration and our respect. To me, Michael was the perfect cousin for simply being himself acting on his beliefs, principles, and values. Last year, we drove to Fort Meyers from Disney to see him. We also had the pleasure to meet Tiffany. In that meeting, I felt that Michael was the same person with the same big heart I knew so many years ago. The next day, he invited us on a boat trip and my wife and teenage kids, who just met him for the first time, immediately felt his unwavering expression of love and care. Grateful are we indeed for that trip and for all its quality moments and the cherished memories that resulted from Michael's diligence to so quickly and thoroughly arrange it. No sickness can erase that experience and its precious moments with a

wonderful person whom I have the most privilege to call my cousin.

Though you may feel his place is suddenly vacant in your home which can never be filled, I believe that the Heavens just got more illumination with his bright soul for he departed to his eternal home in his sleep like an angel. The Lord so also wished to brighten this point further in bringing him home to celebrate with the angels on that day, the special feast day of St. Michael the Archangel.

On behalf of my parents Edmond and Chahidé, my sisters and brothers and our extended families, I say Farewell and Goodbye dearest Michael. We eternally love you and we shall dearly miss you.

Heavenly Father, we pray through our Lord, Jesus Christ, that You bless Michael's soul and grant him eternal peace. Amen.

“ *Although we didn't know Mike well, he made a lasting impression on both of us. We met him through Tiffany, and knew immediately what a special person he was. He fought a long hard fight and did so valiantly. Our deepest sympathy to his family. And to Tiffany, we extend our heartfelt love and prayers. So sorry we are still up north and unable to be there.*
