“ *Mike I can't even begin to describe what you meant to our mother! You made my mom the happiest she has ever been. I have never seen such light shine in her eyes until you came into the picture. It's hard to know your gone, but I know you are healthy now and no longer in pain. We will see you again, but we will always know you are up there looking down at your BEAUTIFUL LEANNE! You are gone, but trust me you will never be forgotten. You are engraved into our hearts and our lives forever and always. R.I.P. Michael Handley!*

“ Ahhh Michael, you know how much I hate these public things! But how could I Not reply! - I moved down here from Boston 10 years ago, didn't know a soul - Michael was the best friend anyone could ask for, he was always there for his friends when they needed him, no matter what! - Michael was the most decent, honest (even when you didn't want to hear it) & kind person I had ever run into - I used to think they didn't make men like that! - I will always see you Michael, when I look up into the sky at the stars, and Michael PLEASE have a cup of tea with my mom up there in Heaven, I know she'll LOVE YOU - WE will always LOVE YOU - Cathy & Chum FOREVER!! - XXXOOO

“ Mike there are no words to describe your heart and the guy you were! You made my mother the happiest she has ever been and we are all so very sad that you have left, but I know we will see you again and I know you are not suffering anymore and watching over your beautiful Leanne. You are loved and missed very deeply! PS. I kept the party planning for mom:-) Love and miss you!
