“ *Judy and Becca,*

It's Kody. Many, many years have passed since I have spoken with Mike, but I had often wondered about him. I was and am so deeply saddened to hear about Mike's passing. The crew would sit around campfires and talk about our exploits with Michael; we would try to guess where he was and what he had been up to. We had a lot of good times with Mike, a lot of weird times too. Mike was like that. He was a strange guy but in a sense where it was endearing. I still consider him to be part of our core group, always the missing musketeer.

I hope you both are well. Mike will be remembered with equal parts fondness and intrigue.

*Sincerely,
Kody Arocho*
