“ *Mike was complex. He was a good guy with a good heart. And had an enormous passion/obsession for his wide variety of turtles & tortoises. And an enormous love for his little weiner dog, Lucas*

I am writing this from the Walter E. Olson Memorial Library in Eagle River, WI. Mike did a yearly turtle program the first week in August for our library for many years. It was amazing to learn about the turtles he had in his "collection". Kids loved to come and see the great variety he had. We enjoyed his visits and will miss him greatly. Pat Lamon
