“ *It's been almost a year since you were taken, Mike. I miss you, brother. I know we were like oil and water when we were together, but I always loved and tried to protect you as best I could. Remember when I took on three kids in junior high myself because they were bullying you? A couple of them looked as bad as I did after that fight, but no one messed with you anymore.*

I hope you're in a better place now, Mike. I have prayed for you, that God will take you into His rest. And if you're there with mom and Tony, tell them I miss them, too.
