“ *I remember when he took me & sister to the park as kids & my sister ran in front of swing & he did everything to try & comfort us. He took us for ice cream & gave us each \$20. He was always so cool & fun to be around.*

“ *Uncle Michael will be remembered as the COOL uncle who used to come visit us when we were children & tell us stories & give us rides on his motorcycle. Before he became ill, he was funny, straightforward & just a bad ass. Everyone in the family loved him & he will never be forgotten.*

“ *Michael and my son and daughter Ronnie and Linda grew up together and kept in touch with each other. 6 weeks ago Ronnie went to see him took Mike out for lunch got Mike some groceries they spent the day and had fun being together talking when they were young. Mike was like a Dad to my grandson Vincent, they went to the jet games and Mike took him places and told people this is my son they were very close Mike was so sad when Vincent died in a car accident 6 years ago, at the age of 17 it was hard for him to accept Vincent's death.*

It is sad that Ronnie was calling and trying to reach out to Mike with no answer from him.

Ronnie finally received a call back from his brother which he said you will hear after he is dead . a nephew wrote on facebook to Ronnie that Mike was in the hospital but didn't say which one or where, we called many hospitals in Sarasota and could not find Mike. Someone sent Ronnie on facebook saying Mike is dead. Ronnie and Linda has taking Mike's death very hard they have lost a brother which they considered him to be they are hurt that Mike's family did not let Ronnie and Linda say goodbye to him while he was still alive in the hospital. we will continue to pray for him . He is now in heaven with his mom and Vincent, may they all rest in peace.

Its sad the way we who loved him so much had to find out that he died and not hear it from his family I pray god will show you kindness and love.
