“ Love and miss you! Memories of you keep running thru my mind. How we both loved to read. The times I would take you to garage sales and hide in the car in case someone I knew from school seen me. The time we put a dollar in front of Gabe and crawled for the first time. We laughed so hard. I remember as a child eating your French cookies and hillbilly gravy. What a combo. Us kids loved to hear you cuss in that French accent. You were a wonderful grandmother and I will miss you greatly
