“ Just saw that Millie had passed. I was sad to see this, but it really gives me joy to think about all the wonderful encounters I had with her over the years. She was kind and fierce, one of my favorite "regulars" here at City Hall. She was always up on the issues and she was more than happy to let you know how she felt about things! She always did it with kindness and good humor, but you were never confused about what she thought! If any of her family sees this, please know that I'm not alone in my feelings toward her. We loved Millie.

I love you n Uncle Hubie, Rick n Joan, Deb n Tom. Enjoy your new eternal home, until we all meet again.

“ Remembering 'mom' - a determined woman who showed that it's important to make a difference in the world in which you live. She did just that - from supporting the development of a skate board park in her town to influencing major political decisions. Her involvement in church was always led by her strong faith. Memories will be carried in our hearts. Love, Rick and Deb
