“ *I had the privilege to meet Nancy at my job where I helped take care of her. She was always dancing and smiling. She had the kindest heart. I will miss dancing with her, eating lunch with her, and talking to her. She's made such an impact on my life and she will forever live in my heart.*

“ I will always miss your loving smile, your wonderful laughter, your keen perspectives on life, and the way you always took away my pain when I was hurting. I will miss your caring, concern, and sense of humor. I will miss everything about you. But most of all, I will miss you, my sweet mother. But as long as I have you in my heart, you will always be with me; wherever I go and whatever I am doing. I know you are in a better place, not suffering, and with so many loved ones. Rest wonderfully in peace, Mom. I love you and hold you in my heart, always and forever.

“ Nancy Guba was the kindest, most caring, funny ,one of the most beautiful lady I ever knew. I have so many memories of her. Going camping at holiday camp ground, going to see where she grew up in Fredricktown, PA, hanging out in the basement. I could go on and on. I love this lady. I use to call her Bob. She really loved me as much as I love her. I had so much fun with her. I will miss her so.....I love you Bob....Love Richie

“ I have so many memories of my "Aunt" Nancy and spending time with the family at the house on Muriel. Nancy and my mom, Nadine ("Deanie," as Nancy was the first to call her), were such good friends and bowled together weekly while Eliot and I ran unchecked around the alley. As a kid, I was fascinated by her silver Christmas tree with the rotating colored spotlights. I remember looking in the kitchen every time I was over to see which family member was in the "doghouse" that day. I remember Nancy even had an alarm clock that "spoke" the time (it was the 70s—that was cool technology!), and she taught Eliot and me cool dances while the music played on the big console stereo in the living room. Such good times. I am sending my love to Tim, Eliot, and Jim and will cherish my memories of their mom. - With much love, Jennifer "JJ" (Tescar) Henderson

“ Nancy was the best. Always smiling and laughing. Whatever us kids were doing she did too. She would yell at jimmy not to speed in that van. There is a special angel in heaven. Such a fun lady to be around.
