“ Grandma, thank you for raising my dad to be the best dad to my sister and I. I am going to miss hearing your laugh and seeing your smile shine from across the room. I will never forget how proud you are of me and I will continue to make you prouder everyday. You will never be forgotten and I know you will be watching over me everyday. I love and miss you.

“ Grandma, every time you saw me you would say what a beautiful young lady I was. Those words mean more to me now than they ever have. Not hearing your laughs or seeing your smiles is heartbreaking. You always told me how you wanted to go see the pretty trees in California and how you would take me with you. I will make sure to go see them when I can. All the promises I have made to you will be kept. You told me to live life in the moment like it was my last time. I'll make sure to do that for you. Our last phone call was the hardest call I ever had to make. I never did get to say my last words or even goodbye. Grandma, you will never be forgotten and will always be with me. Heaven has a beautiful kind soul. May you Rest In Peace now
Love Kendall.

“ *My heart goes out to my cousins and Uncle Andy. Nancy was always very kind to me as a child at family get togethers. The last time I saw her was at her granddaughters wedding and she was beautiful. Rest in Peace Aunt Nancy.*
