“ I am grateful to have had the privilege of knowing Nancy over the past few years. She always celebrated life and I will remember her great spunk, appreciation for fabulous shoes, and ability to make grown men blush. She is a beautiful woman inside and out.

“ Dear Aunt Barbara, Daniel, and Cousins, We are so sorry to hear of Nancy's passing and for your loss of a daughter, Mom and sister. She fought her many illnesses bravely that plagued her throughout her life. I will remember her as the cousin that was just old enough to tease me and her sister Millie when we were together (and was especially good at this in tandem with my sister Pam). I also remember though, how beautiful and smart she was. May she rest in peace with her Father and other family members.
