“ *We grew up going to visit Aunt Nellie and Uncle Mark often in Chesapeake Beach, Maryland. We were close to them as well as Mark and Gerard in our younger years. Aunt Nellie was so full of life and love. I met my cousin, Joseph, (her youngest) later in life. Praying comfort and peace for Mark and Joseph. I'll miss knowing Aunt Nellie is no longer with us. Will see her in Glory. Carolyn Dawson (Middleton)*

“ *My Aunt Nellie was a wonderful woman and she had always been loved by my family. She loved the beach and had a nice home in Chesapeake Beach. She loved sunflowers 🌻💛 and she loved her dog "Monster" who we all loved as well. She loved her sons, friends and family, also spoke of them all the time... She had worked for the U.S. Treasury dept. For 24 years and took early leave because of her health problems with asthma. I will certainly miss her as I loved her dearly and so will everyone else who loved and cared about her. Aunt Nellie was alot of fun to be around as I will miss that too. God bless her as she suffered a lot with breathing problems.*
