“ I may never have met you, but I know you must have been very loving woman from what I've heard from your former daughter-in-law. She feels much more like she has been a daughter and not an in-law. Rest in peace Nellie knowing you have influenced and left behind some very nice people.

“ Leon & Michael, I have been your big sister since you were both babies... You both spent many hours with your nieces Angela & Dawn. Mom has been a vital part of my life since I was 15 and even more so after my own mother died when I was 20. I love the both of you like you are my brothers and I loved Mom with my whole heart and soul. I may not have been her blood daughter but I was her daughter in my heart and she knows I will try to help you if you ever need to talk. God Bless Mom
