“ *Happy Birthday! Nicole
The day God called you home*

*God looked around his garden
And He found an empty place.
He then looked down upon this earth,
And saw your tired face.*

*He put his arms around you
And lifted you to rest.
God's garden must be beautiful
He always takes the best.*

*He knew that you were suffering
He knew you were in pain
He knew that you would never
Get well on earth again.*

*He saw that the road was getting rough.
And the hills are hard to climb,
So He closed your weary eyelids
And whispered "Peace be thine".*

*It broke our hearts to lose you
But you didn't go alone
For part of us went with you
That day that God called you home
We love and miss you! R.I.P*

“ I would like to express my deepest sympathy to the Smith, Callahan, and Seaburg families in the tragic loss of our Nicole. She was way too young to leave us. She will always be loved and remembered. She is in heaven now, with God's spirit, and is watching down on us, giving us strength to mourn her loss. Rest in Peace Nicole Lynn Smith until the day we will all be together.

“ Nicole u were an angel in life as you are in now in Heaven. You loved with your whole heart and cared for many. I know you are watching over Jaleah and your family as they need your help and guidance more than ever. I know you look in on me i can feel your presence and it soothes my soul, but my heart still hurts and i still cry thinking of your memory. I find some sort of solace in knowing you caught your killer and he cant hurt anybody else. i cant imagine the pain your family feels as they hurt and mourn your loss. You woke up with a smile and went to bed with a smile and were like a sister to me. I will miss you dearly and help in anyway i can to soothe your family. I hope you are waiting for me at the pearly gates as i know you'll be waiting for your family. I love and miss you dearly. You'll never be forgotten!
