“ *Those we love don't go away,  
They walk beside us every day,  
Unseen, unheard, but always near,  
Still loved, still missed and very dear.*

“ Norma was more than your average woman. She was a Chef, a Nurse, a Counselor, a Best Friend, a Consultant, a Publicist. What im getting at, is that she was anything you needed. She cared SO MUCH about everyone that she would do anything to help. She is one in a million type of woman. And im proud to call her my Grandmother! She was all of those things and more to my family and myself. She was the anchor of this family. Saying she will truly be missed is a massive understatement. She needed little, yet offered everything she could to help. In return she just wanted the love and compassion reciprocated. From my little family Ma, i just want to say that we Love you! We always have and we always will! We think about you all the time and you were my Son and I's first Best Friend! You taught us so much and even "Thank You" isn't even enough. It hurts to know your gone, but I can't help but smile knowing your with us everyday! Until we meet again Ma!  
Yours Truly
