

Oak Mathias Gregg-Donaldson

January 30, 1979 - December 12, 2019

Oak Mathias Gregg-Donaldson, husband, father, brother, son, grandson and beloved friend passed to eternity suddenly and unexpectedly the early morning of Thursday December 12, 2019 at the age of 40 in his Cape Coral Home. A native of Oregon, Oak lived most of his life in Cape Coral and graduated from Cypress Lake High School in 1997. Oak was beloved by all who knew him and was living proof that family extends far beyond blood. Oak worked hard to support all who were blessed to call him family. He also was firmly committed to giving back to his community. Himself an Eagle Scout, he was devoted to Scouting serving as a local scoutmaster and cubmaster. Oak was trustworthy, helpful, friendly, kind and brave along with other virtues by which he blessed those around him. His selfless care of all who were in need of him, most especially his family and extended family could not be overstated. This man gave all he had to those he loved.

Oak is survived by his true love and soulmate, his loving wife, Teri; his eight children: Aubree, Alexis, Oak Lee, Mya, C.J., Skye, Ash and Rowan; his mother, Janet; his grandfather, Don Lee Gregg (Merry) of Alaska and Grandmother Beulah; his stepfather, Roy; his siblings: Kelcy, Seth, Natalie (Efrem), Brandon, Sean, Felicia, Chris and Colleen; his Aunt, Shirley; and many friends whom he considered family.

Oak is preceded in death by his father, Don "Oak" Lee Gregg and his

Grandparents Alice and William.

Oak, aptly named for his strong presence, calm and peaceful demeanor had a love for nature, where he often spent time with his family. A memorial service and celebration of life will take place at Camp Miles, 38751 Bermont Road Punta Gorda, FL 33982 on January 3, 2020 at 12 noon. “ I've known Teri and Oak since I met her mom Patti in 2001 when I moved to FL. I didn't know a soul here, and Patti became my first friend. Their entire family welcomed me as their own. My best memories of Oak are the many family gatherings I was blessed to be a part of. Among the traditional hugs when arriving at a get-together, Oak went over the top. He'd scoop me up in his arms cradling me like a baby and spin me around. The first time he did it, it totally took me off guard and I didn't know what to make of it. 😂 But after that, it was just routine and I got such a kick out of it, lol. Oak is one of those larger-than-life, spontaneous, affectionate people whom it is said of, "He was one-of-a-kind and there will never be anyone else like him." I know he's bringing an added element of fun to Heaven! Oak, we all miss you so much, and our only consolation is we will see you again and the light you bring to the universe. I don't know why this happened. You are sorely missed.

“ I met you through my boys and you became my son as well. I could not remember your name at fort and always called you Pine. You reminded me of a pine tree. You brought joy where ever you went. The memories will have to do for now baby until I see you in heaven. Thank you for your love.

“ You and I will meet again, When we're least expecting it, One day in some far off place, I will recognize your face, I won't say goodbye my friend, For you and I will meet again”.

Tom Petty

I love you. Sleep well my brother. Hearts all over the world are broken wide open, because they can't contain the amount of grief losing you produces. Watch over them all . Promise ?

“ I met Oak briefly at church and was immediately struck by how calmly and well he handled his children, and there seemed to be a lot of them. I wish that I had the chance to get to know him better. I know God is watching over those children and that He will never forsake them. I pray for Teri to have the strength to be the rock in that home and that her children will call her blessed all the days of their lives.
