“ I never met Pa, but I feel like I knew his heart. His granddaughter and my great friend, Heather, would talk about it all the time. She expressed to me the love and admiration they shared for one another. It has always apparent to me that the fun and kind heart of Heather stems from the love of her grandfather. Pa's legacy lives on through his kids and grandkids. What a beautiful legacy he has left behind! My thoughts and prayers are with your family!
