“ *I grew up with my cousin Pam and we shared so many good times together that I will never forget her. I wish I had the words to express all the memories and how much she was loved by everyone she touched in her life but they are in my heart and she will be missed*

Love you Pam

“ *There are no words adequate to express my deep, deep sadness over the loss of our beloved Pammy.
From our earliest days - as barely adolescents - together at the Stockton Gala Days shilling Uncle Wilbur Leworthy's ring-toss stand to our many, many years at the Chautauqua County Fair Fowler's Taffy stands, Pam - as a dear friend - was always a love of my life. She was all class and no pretense. She gave much more than she ever took from her too short life.
God bless you, Pammy.
I can't believe you've left us.*
